

Are You Ready

The Katinas

Are you ready to get up and open fire?
Are you ready to defend the case for Christ?
Are you ready to count the cost?
Tell me, how much is it worth to you?
Are you ready to get up and make some noise?
Stop the camouflage, it's time to raise your voice.
Are you ready when it's said and done?
Tell me, whose side are you on?

Can you hear me?

Are you ready?
When are we gonna realize?
Are you ready?
More than ever, it's our time.
Are you ready?
Come on look at all the signs.
Ready or not, don't let it pass you by.

Are you ready?
When are we gonna realize?
Are you ready?
More than ever, it's our time.
Are you ready?
Come on look at all the signs.
Ready or not, don't let it pass you by.

Are you ready to go in and not fall out,
as a citizen of heaven abandon doubt?
Are you ready?
Stop hesitating! Time is of the essence now.

Are you ready to get up?
The time is right.
All the people of the Lord, come on and fight!
Are you ready for a revolution?
We're coming and we're closing in.

Are you ready to give up your life?
Ready to live for Christ?
Can you hear me?

Are you ready?
When are we gonna realize?
Are you ready?
More than ever, it's our time.
Are you ready?
Come on look at all the signs.
Ready or not, don't let it pass you by.

Are you ready?
When are we gonna realize?
Are you ready?
More than ever, it's our time.
Are you ready?
Come on look at all the signs.
Ready or not, don't let it pass you by.

This is the moment, here in the present.
No hesitation, we are his agents.

Are you ready?
When are we gonna realize?
Are you ready?
More than ever, it's our time.
Are you ready?
Come on look at all the signs.
Ready or not, don't let it pass you by. (5x)

Are you ready?
Are you ready?
Are you ready?
Are you ready?
Ready or not, don't let it pass you by.
