

Thank You

The Katinas

Just a little while longer I wanna pray
Can't get You off my mind so I came to say
Thank You Lord, just for loving me, alright
Many times I do forget
Every need that You have met
Oh thank You Lord, I know You're showing me

You are there when I am down and out, You're holding me
Your love is so amazing, oh it changed me

Here I am with all I have
Raise my hands to worship You
I wanna say thank You, oh thank You
For everything, for who You are
You cover me and touch my heart
I wanna say thank You

I could have died in my sin but You saved me
Didn't have any hope at all
You gave me peace divine, strength to carry on, alright
I should have been the one to pay
But instead You took my place
Amazing grace, it's more than just a song

Even though I don't deserve Your love for me
You look beyond my fault and You showed me mercy

Here I am with all I have
Raise my hands to worship You
I wanna say thank You, oh thank You
For everything, for who You are
You cover me and touch my heart
I wanna say thank You

I wanna say thank You for the sun
Lord we thank You for the rain

Oh Lord I love You
Thank You, that's all that I can say
Thank You for the love You gave

Here I am with all I have
Raise my hands to worship You
I wanna say thank You, oh thank You
For everything, for who You are
You cover me and touch my heart
I wanna say thank You, thank You
I wanna say thank You, thank You
I wanna say thank You

I wanna say thank You
I wanna say thank You
