

# You Are God

The Katinas

Creator of all things  
Healer of my being  
Through your righteousness  
I've been redeemed

Forgiven by your grace  
Your joy is my strength  
When everything has changed  
You stay the same

[Chorus]  
You are God  
Bright and Morning Star  
When I'm down you lift me up  
You're the Lover of my heart  
You are God  
Mender of my soul  
You're the rain that makes me whole  
You are God

Ever-present help  
Savior of my life  
Everything I have belongs to you  
My time is in your hands

My purpose is your will  
I know that you'll provide  
So I'll be still

[Chorus]  
You are the One  
That delivers me  
It's not because of what I am  
But who YOU are

[Chorus]  
You are God  
You're my provider  
When I'm down

You lift me higher  
When I'm weak  
You are the fire  
that turns me into gold

You are God  
Alpha, Omega  
Take my life  
Lord I surrender

You're the rain that makes me whole  
You are God
