

You Are God

The Katinas

Creator of all things
Healer of my being
Through your righteousness
I've been redeemed

Forgiven by your grace
Your joy is my strength
When everything has changed
You stay the same

[Chorus]
You are God
Bright and Morning Star
When I'm down you lift me up
You're the Lover of my heart
You are God
Mender of my soul
You're the rain that makes me whole
You are God

Ever-present help
Savior of my life
Everything I have belongs to you
My time is in your hands

My purpose is your will
I know that you'll provide
So I'll be still

[Chorus]
You are the One
That delivers me
It's not because of what I am
But who YOU are

[Chorus]
You are God
You're my provider
When I'm down

You lift me higher
When I'm weak
You are the fire
that turns me into gold

You are God
Alpha, Omega
Take my life
Lord I surrender

You're the rain that makes me whole
You are God
