Let's Work Together

The Kentucky Headhunters

Together we'll stand, divided we'll fall Come on now, people, let's get on the ball And work together, come on, come on Let's work together now, now, people

Because together we will stand Every boy, every girl and a man

People, when things go wrong as they sometimes will And the road you travel, it stays all uphill Let's work together, come on, come on Let's work together

You know, together we will stand Every boy, girl, woman and a man

Oh well now, two or three minutes, two or three hours What does it matter now in this life of ours Let's work together, come on, come on Let's work together now, now, people

Because together we will stand Every boy, every woman and a man

Come on now
Come on, let's work together now

Well now, make someone happy, make someone smile Let's all work together and make life worthwhile Let's work together, come on, come on Let's work together now, now people

Because together we will stand Every boy, girl, woman and man

Well now together we will stand Every boy, girl, woman and a man, oh yeah
