

Smooth

The Kentucky Headhunters

Smooth
She's smooth
Smooth
Oh, so smooth
She's all I want a woman to be
Refined
She's got it down to a T
So glad
That's she's in love with me
We go together so naturally
Smooth
She's smooth
Smooth
Oh, so smooth
Lookin' good
She makes the boys all stop and stare
She's fine
The finest woman, I do declare
So proud
I walk around with my head in the air
Tell me, have you ever seen a finer pair?
Smooth
She's smooth
Smooth
Oh, so smooth
She's all I want a woman to be
Refined
She's got it down to a T
So glad
That's she's in love with me
We go together so naturally
Yeah
