

# Carry Me Home

The Killers

Let me out  
Don't tell me everything  
Start it out  
Like any other day

Must have gave the wrong impression  
Don't you understand where I belong?  
Well I'm not the one

Stand again  
They say nothing comes for free  
And that's the truth  
Been livin' in a fantasy  
Slip and slide a head-trip heaven  
Self denial's such a wonderful and powerful thing  
Well I'm not the one

The morning dove sings  
With two broken wings  
Carry me home  
I'm not afraid  
The stars in my eyes  
Were shimmerin' lights  
Carry me home  
Don't let me fade away

Stop the press  
The kid's light is growin' dim  
It took a month long slide  
And the world came cavin' in

When you self destruct  
You wind up looking for a glimmer of hope  
But the writing's on the wall  
I'm not the one

The morning dove sings  
With two broken wings  
Carry me home  
I'm not afraid  
The stars in my eyes  
Were shimmering lights  
Carry me home  
Don't let me fade

Just how thick is your skin?  
Just how sharp are your teeth?  
Oh-ohh-oh  
You've got a lot to learn

Is there somewhere else  
That I can win?  
Is there something else  
To start over again?  
From the summit's edge  
To the cutting room floor  
I will be afraid no more

The morning dove sings  
With two broken wings  
Carry me home  
I'm not afraid  
The stars in my eyes  
Were shimmering lights  
Carry me home  
Don't let me fade

Carry me home  
Carry me  
(Oh oh ohh, oh oh ohh)
