

# Change Your Mind

The Killers

Racy days  
Help me through the hopeless haze  
But my, Oh my  
Tragic eyes  
I can't even recognize myself behind  
So if the answer is no,  
Can I change your mind?

Out again, a siren screams at half past ten  
And you won't let go  
While I ignore, that we both felt like this before  
It starts to show  
So if I have a chance  
Would you let me know?

Why aren't you shaken  
Sit back and sigh  
Graciously taken  
Oh you're too kind

And if the answer is no,  
Can I change your mind?

We're all the same,  
And love is blind  
The sun is gone  
Before it shines

And I said if the answer is no,  
Can I change your mind?
