Some Kind of Love

You got the will of a wild A wild bird You got the faith of a child Before the world gets in You got some kind of love You got some kind of love (Some kind) You got the soul of a truck On a long distance haul You got the grace of a storm In the desert You got some kind of love (some kind of love) You got some kind of love You got some kind You got some kind You got some kind You got some kind of love You got some kind You got some kind You got some kind You got some kind of love You got some kind You got some kind You got some kind You got some kind of love Can't do this alone We need you at home There's so much to see We know that you're strong Can't do this alone We need you at home There's so much to see We know that you're strong Can't do this alone
