

# Somebody Told Me

The Killers

Breakin my back just to know your name  
Seventeen tracks and I ve had it with this game  
A breaking my back just to know your name  
But heaven ain't close in a place like this  
Anything goes but dont blink, you might miss  
I said heaven aint close in a place like this (2x)  
Bring it back down, bring it back down tonight  
Never thought Id let a rumor ruin my whole life.

Somebody told me you had a boyfriend  
Who looked like a girlfriend  
That I had in February of last year  
Its not confidential, Ive got potential

Ready lets roll onto something new  
Takin its roll then Im leaving without you  
Ready lets roll onto something new  
Cause heaven aint close in a place like this  
Anything goes but dont blink, you might miss  
I said heaven aint close in a place like this (2x)  
Bring it back down, bring it back down tonight  
Never thought Id let a rumor ruin my whole life

Somebody told me you had a boyfriend  
Who looked like a girlfriend  
That I had in February of last year  
Its not confidential, Ive got potential a rushing and rushing around

Pace yourself for me. I said maybe, baby, please  
But I just dont know now. When all I wanna do this try

Somebody told me you had a boyfriend  
Who looked like a girlfriend  
That I had in February of last year  
Its not confidential, Ive got potential a rushing and rushing around
