

The World We Live In

The Killers

R: This is the world that we live in, I feel myself get tired.
This is the world that we live in.

1. Well maybe I was mistaken,
I heard a rumour that you quit this day and age.
Well maybe I was mistaken.

Bless your body, bless your soul,
pray for peace and self-control.

2. I gotta believe it's worth it,
without a victory I'm so sanctified and free.
Well maybe I'm just mistaken.

Lesson learned and the wheels keep turning.

R: This is the world that we live in, I can't take blame for two.
This is the world that we live in, and maybe we'll make it through - aaah
.

Bless your body, bless your soul, reel me in and cut my throat.
Underneath the waterfall, baby we're still in this - woah, yeah!

R:

I had a dream that I was falling down.
There's no next time alone.
A storm wastes its water on me.
But my heart, was free.

R: I guess it's the world that we live in, it's not too late for that.
This is the world that we live in, I know we can't go back.
This is the world that we live in, I still want something real.
This is the world that we live in, I know that, we can heal,

Over time
This is the world that we live in.

This is the world that we live in.
