

Tranquilize

The Killers

Time it tells livin' in my hometown
Wedding bells they begin easy
Live it down, baby don't talk that much
Baby knows that baby don't tease me

In the park we could go walking
Down in the dark we could go sailing
On the sea...

Always here, always on time close call.
Was it love or was it just easy
Money talks when people need shoes and socks
Steady boys I think that she needs me
I was just sippin on something sweet
I don't need political process

I got this feeling that they're gonna break down the door
I got this feeling that they're gonna come back for more
See I was thinking that I lost my mind
But it's been getting to me all this time
And don't stop dragging me down

Silently reflection turns my world to stone
Patiently correction leaves us all alone
And sometimes I'm a travelin' but tonight
This engines failing

And I still hear the children playing

Kick the can, kick the can skip and blackjack,
Steal a car and ring around rosie
Rock and roll, candyland, boogieman,
Run away and give me your sneakers

Acid rain when Abel looked up at Cain
We began weeping and a-wailin'
Hurry high from pestilence pills and pride
It's a shame we could have gone sailing

But Heaven knows, Heaven knows everything...tranquilize

I got this feeling that they're gonna break down the door
I got this feeling that they're gonna come back for more
See I was thinkin' that I lost my mind
But it's been getting to me all this time
And don't stop dragging me down

Silently reflection turns my world to stone
Patiently correction leaves us all alone
And sometimes I'm a travelin' but tonight
This engines failing

I still hear the children playing, dead beat dancers come to us and stay

Cause I don't care where you been
And I don't care what you seen
We're the ones who still believe

And we're looking for a page
In that lifeless book of hope
Where dream might help you cope
Where the bushes and the bombs
Uh-huh tranquilize
