## **Fuck the People**

You want a warning You got a warning You want a warning You got a warning Bet you something I can get your mouth shut Bet you something I can get your mouth shut You want a warning Ya' got a warning Stab your back You want a warning You got a warning Stab your back You want a warning You got a warning Stab your back Bet you something I can get your mouth shut Bet you something I can get your mouth shut You want a warning You got a warning Stab your back Hey, fuck the people Hey, fuck the people Last moon a cigarette Hang myself on a chandelier Laughin' at another on a funny thing Bet you something I can get your mouth shut Bet you something I can get your mouth shut You want a warning You got a warning Stab your back Hey, fuck the people Hey, fuck the people Bet you something I can get your mouth shut Bet you something I can get your mouth shut You want a warning You got a warning Stab your back Last moon a cigarette Hang myself on a chandelier Laughing at another on a funny thing Bet you something I can get your mouth shut

Bet you something I can get your mouth shut

The Kills

You want a warning You got a warning Stab your back

Hey, fuck the people Hey, fuck the people Fuck the people Fuck the people
