

Monkey 23

The Kills

There's a monkey on my back
Makes me talk like that
There's a monkey on my back
Makes me talk like that

There's a monkey on my back
Makes me act like that
There's a monkey on my back
Makes me talk like that

There's a monkey on my back
Makes me act like that
There's a monkey on my back
Makes me act like that

There's a monkey on my back
Makes me talk like that
There's a monkey on my back
Makes me act like that
