## A Hard Day's Night

## **The King's Singers**

It's been a hard day's night, and I been working like a dog It's been a hard day's night, I should be sleeping like a log But when I get home to you I find the things that you do Will make me feel alright

You know I work all day to get you money to buy you things And it's worth it just to hear you say you're going to give me everything So why on earth should I moan, 'cause when I get you alone You know I feel OK

When I'm home everything seems to be right When I'm home feeling you holding me tight, tight

It's been a hard day's night, and I been working like a dog It's been a hard day's night, I should be sleeping like a log But when I get home to you I find the things that you do Will make me feel alright, ow

So why on earth should I moan, 'cause when I get you alone You know I feel OK

When I'm home everything seems to be right When I'm home feeling you holding me tight, tight

It's been a hard day's night, and I been working like a dog It's been a hard day's night, I should be sleeping like a log But when I get home to you I find the things that you do Will make me feel alright You know I feel alright You know I feel alright
