

Early in the Morning

The Kingston Trio

I remember Grandpa telling me that I was born
As the sun was comin' up early in the morn.
Told me I was born
Early in the morn.

When you lift your eyes and
See the sun a-risin'
On the far horizon
Early in the mornin'.
(Early in the mornin')

It was early in the day when I set out to roam.
Kissed my love, and went to seek my fortune far from home.
I set out to roam
far away from home.

When you lift your eyes and
See the sun a-risin'
On the far horizon
Early in the mornin'.
(Early in the mornin')

But today when I awoke I missed my darlin' so.
Gotta have her by my side forever more I know.
Need my darlin' so.
Evermore I know.

When you lift your eyes and
See the sun a-risin'
On the far horizon
Early in the mornin'.
(Early in the mornin')

So tomorrow I'll be leavin' at the break of day.
Gonna hurry to my love and there I'll always stay.
At the break of day.
There I'll always stay.

When you lift your eyes and
See the sun a-risin'
On the far horizon
Early in the mornin'.
(Early in the mornin')

Early in the mornin'.
