

# Leave My Woman Alone

The Kingston Trio

If you don't want, you don't have to get in trouble  
If you don't want, you don't have to get in trouble  
Say, you'd better leave my woman alone

Well, I know you are a playboy  
And you've got women all over town  
Well, listen, buddy  
If you ever sweet talk my little girl  
I'm gonna lay your body down

Well, I know you've got your money  
And you've got a new fifty six, too  
But if I ever see my little girl in your new car  
I'm gonna do some work on you

Well, I don't believe in trouble  
So I don't want to start a fight  
So, if you take heed and stay away from my little girl  
Well, everything will be all right
