

One More Round

The Kingston Trio

Delia's gone, one more round
Delia's gone, one more round
Dellia's gone

Woke up this mornin'
Looked out 'cross the room
Delia, oh Delia
Why did you leave me so soon?

Delia's gone, one more round
Delia's gone, one more round
Dellia's gone

Police was a-knockin'
Knockin' at my door
He said, "Son, I got to tell you
You ain't gonna see your Delia no more"

Delia's gone, one more round
Delia's gone, one more round
Dellia's gone

Delia in the wagon
Headin' for marble town
So all of those who loved her
Sing it one more round

Delia's gone, one more round
Delia's gone, one more round
Dellia's gone
