

## Patriot Game

The Kingston Trio

Billy Behen

Come all you young rebels and list while we sing  
For the love of one's country is a terrible thing  
It banishes fear with the speed of a flame  
And it makes us all part of the patriot game

My name is O'Hannon and I've just gone sixteen  
My home is in Monaghan where I was weaned  
I've learned all my life cruel England's to blame  
And so I'm a part of the patriot game

It's barely two years since they wandered away  
And it was with the local battalion of the bold IRA  
For they'd read of our heroes and they wanted  
The same to play their own part in the patriot game

This Ireland of ours has for long been half-free  
Six counties are under John Bull's tyranny  
So, we gave up our boyhood to drill  
And to train and play our own part in the patriot game

And now as I lie here, my body all holes  
I think of those traitors who bargained in souls  
I wish that my rifle had given the same  
To those Quislings who sold out the patriot game
