

Santy Anno

The Kingston Trio

Ooh, ooh, ooh, ooh, ooh, ooh
We're sailin' 'cross the river from Liverpool
Heave away, Santy Anno
Around Cape Horn to 'Frisco Bay
'Way out in Californio

So, heave her up and away we'll go
Heave away, Santy Anno
Heave her up and away we'll go
'Way out in Californio

There's plenty of gold, so I've been told
Heave away, Santy Anno
Plenty of gold, so I've been told
'Way out in Californio

So, heave her up and away we'll go
Heave away, Santy Anno
Heave her up and away we'll go
'Way out in Californio

Ahh, ahh, ahh, ahh, ahh

Well, back in the days of forty-nine
Heave away, Santy Anno
Back in the days of the good old times
'Way out in Californio

So, heave her up and away we'll go
Heave away, Santy Anno
Heave her up and away we'll go
'Way out in Californio

Ahh, ahh, ahh, ahh, ahh
Ooh ooh, ooh, ooh
