

Sometimes Love Is Better When It's Gone

The Kingston Trio

Caroline, Caroline, girl, you'd better go on home 'cause I'll be leavin' with the morning dew, stronger for the seeds we've sown.

I'll write you love down in a song. I will sing it a life time long. That way, my love will never do you any wrong.

Sometime love is better when it's gone. Sometimes love is better when it's gone.

Caroline, Caroline, girl, you'd better go on home. Dry your eyes, honey, don't you realize you've touch me deeper than you know.

If you had meant a little less to me, I could go on the way I am, but I'm not ready for the changes you would need

To be your kind of woman's man.

I'll write you love down in a song. I will sing it a life time long. That way, my love will never do you any wrong.

Sometime love is better when it's gone. Sometimes love is better when it's gone. Sometimes love is better when it's gone.
