

The Work Song

The Kingston Trio

I don't like to work but I got to.
When my friends ask for advice,
I tell them not to.
I'm gonna move way down South where it's too hot to,
'cause I don't like to work.
It's not just because I'm lazy.
It's not just because I'm crazy.
The reason from the bottom of my heart,
I don't like it 'cause I'm too damn smart.

Well, you can work 'till you're too old.
You don't have to. That's the kind of logic I just give a laugh to.
When they find out doing nothing is a craft, too,
then I'll go back to work. (Oh, yeah!)

Well, you can work 'till you're too old.
You don't have to. That's the kind of logic I just give a laugh to.
When they find out doing nothing is a craft, too, then I'll go back to work.
(Come on, let's get started!)

I'll go back to work. (Oh, yeah!)
