

# A Long Way From Home

The Kinks

You've come a long way  
from the runny-nosed and scruffy kid  
I knew  
You had such good ways

I can remember the little things  
that always made  
you smile  
They made you happy

Now you think  
you're wiser because you're older  
and you think  
That money buys everything

And you think  
that you need no one  
to guide you  
But you're still  
a long way from home.

You've come a long way,  
you're self-assured and dressed  
in funny clothes  
but you don't know me.

I hope  
you find what you are looking for  
with your car  
and your handmade overcoats

But your wealth  
will never make you stronger  
'cos you're still  
a long way from home  
Yeah, you're still  
a long way from home
