

# Catch Me Now I'm Falling

The Kinks

I remember, when you were down  
And you needed a helping hand  
I came to feed you  
But now that I need you  
You won't give me a second glance  
Now I'm calling all citizens from all over the world  
This is Captain America calling  
I bailed you out when you were down on your knees  
So will you catch me now I'm falling

Help me now I'm calling you  
Catch me now I'm falling  
I'm in your hands, it's up to you  
Catch me now I'm falling

I remember when you were down  
You would always come running to me  
I never denied you and I would guide you  
Through all of your difficulties  
Now I'm calling all citizens from all over the world  
This is Captain America calling  
I bailed you out when you were down on your knees  
So will you catch me now I'm falling

Help me now I'm calling you  
Catch me now I'm falling  
I'm in your hands, it's up to you  
Catch me now I'm falling

When you were broke you would come to me  
And I would always pull you round  
Now I call your office on the telephone  
And your secretary tells me that she's sorry,  
But, you've gone out of town.

This is Captain America calling  
This is Captain America calling

Help me now I'm calling you  
Catch me now I'm falling  
I'm in your hands, it's up to you  
Catch me now I'm falling

Catch me now I'm falling  
Catch me now I'm falling  
Catch me now I'm falling  
Catch me now I'm falling

I stood by you through all of your depressions  
And I lifted you when you were down  
Now it's your chance to do the same for me  
I call your office and your secretary tells me  
That you've gone out of town

This is Captain America calling  
This is Captain America calling

Catch me now I'm falling  
Catch me now I'm falling

I was the one who always bailed you out  
Of your depressions and your difficulties  
I never thought that you would let me down  
But the next time you're in trouble  
Better not come running to me

Now I'm calling all citizens from all over the world  
This is Captain America calling  
I bailed you out when you were down on your knees  
So will you catch me now I'm falling  
Catch me now I'm falling

Catch me now I'm falling  
Catch me now I'm falling  
Catch me now I'm falling  
Catch me now I'm falling
