

# I Took My Baby Home

The Kinks

Well I took my baby home  
She said don't you leave me alone  
She kissed me on the cheek and I moaned  
I said I wo-wo-wo-wo-won't

Well, she said, baby I know what's best  
She said I could do with a rest  
Then she put her hand on my chest  
I said I wo-wo-wo-wo-won't

She had some pile-drivin' kisses  
They really knocked me out  
They knocked me oh-oh-over  
She had a hug like a vice  
She squeezes once or twice and I moan

So when I took my baby home  
She said don't you leave me alone  
She kissed me on the cheek and I moaned  
I said I wo-wo-wo-wo-won't  
Wo-wo-wo-wo-won't  
Wo-wo-wo-wo-won't  
I said I wo-wo-wo-wo-won't

She had some pile-drivin' kisses  
They really knocked me out  
They knocked me oh-oh-over  
She had a hug like a vice  
She squeezes once or twice and I moan

So when I took my baby home  
She said don't you leave me alone  
She kissed me on the cheek and I moaned  
I said I wo-wo-wo-wo-won't  
I said I wo-wo-wo-wo-won't  
Wo-wo-wo-wo-won't  
Wo-wo-wo-wo-won't
