

## In a Foreign Land

The Kinks

It was a matter of fact that when I paid all my tax  
I held my world in the palm of my hand  
And all of my debts were causing me to defect  
To a land of bananas and sand  
So I ran, yes I ran, yes I ran to a foreign land  
Here I am, here I am  
Here I am in a foreign land

I'm so glad we made it  
I thought we'd never land  
I grabbed all my cash  
And I decided to dash far away  
Far away, far away in a foreign land  
Here I am, here I am, here I am in a foreign land

Goodbye to all of the rich men's daughters  
Goodbye to my debts now I'm way across the water  
Far away, far away in a foreign land  
Here I am, here I am, here I am in a foreign land

La la la la la la  
La la la la la la

Please tell my mother and all my ex-lovers  
That I've finally made the grade

Please tell my debtors and the money collectors  
That all of my bills will be paid some day  
I'm away, I'm away in a foreign land

Goodbye champagne and the caviar set  
I wanna slum and drink all of the rum I can get  
I'm away, I'm away in a foreign land  
Here I am, here I am, here I am in a foreign land  
But I'm all out of my jack and I can't go back  
I'm away, far away, far away in a foreign land

La la la la la la
