Why I love you though you treat me bad. 'Cos when I look at you I'm looking through the mirror of love. Oh the mirror of love and you look alright, 'Cos when I look at you I'm looking through the mirror of love. You're such a cool lover, But you're such a cruel lover, Treat me like I'm a fool, I hate you but you know I would kill for you. You're a mean and obscene lover, But I would have no other, Even though you treat me bad, You were the best man I ever had, 'Cos through the mirror of love, mirror of love, When I see you through the mirror of love, You're alright and I forget that you're bad, 'Cos when I look at you I'm looking through the mirror of love.

Why I love you though you treat me bad, 'Cos when I look at you I'm looking through the mirror of love. The mirror of love you sure look alright.
I see your reflection when I'm looking through the mirror of love.

You're a crude and a rude lover,
But I would have no other,
You slap me down, treat me bad,
You're a two-timing swine and you drive me mad.
You're a mean and obscene lover,
But you are my dream lover,
'Cos even though you treat me bad,
You were the best man I ever had,
'Cos through the mirror of love, mirror of love,
I see your reflection in the mirror of love.
And you're alright though you treat me bad.
When I see you I'm looking through the mirror of love.
Oh the mirror of love, sure look alright
'Cos when I see you I'm looking through the mirror of love.
