

## Misfits

The Kinks

You've been sleeping in a field but you look real rested  
You set out to outrage but you can't get arrested  
You say your image is new, but it looks well tested  
You're lost without a crowd yet you go your own way

You say your summer has gone  
Now the Winter is crawlin' in  
They say that even in your day  
Somehow you never could quite fit in  
Though it's cold outside  
I know the Summer's gonna shine again  
Because you know what they say  
Every dog has his day

You're a misfit, afraid of yourself, so you run away and hide  
You've been a misfit all your life  
Why don't you join the crowd  
And come inside  
You wander 'round this town like you've lost your way  
You had your chance in your day  
Yet you threw it all away  
But you know what they say  
Every dog has his day

Look at all the losers and the mad eyed gazers  
Look at all the looneys and the sad eyed failures  
They're giving up living 'cos they just don't care  
So take a good look around  
The misfits are everywhere

You're a misfit  
Afraid of yourself so you run away and hide  
You've been a misfit all your life  
But why don't you join the crowd and come inside  
You wander round this town  
Like you've lost your way  
You had your chance in your day  
Yet you threw it all away  
Now you're lost in the crowd  
Yet, still go your own way

This is your chance, this is your time  
So don't throw it away  
You can have your day  
Yes it's true what they say  
Every dog has his day
