

Supersonic Rocket Ship

The Kinks

Let me take you on a little trip
My supersonic ship's at your disposal
If you feel so inclined. Well alright.
We're gonna travel faster than light
So do up your overcoat tight
And you'll go anywhere you want to decide. Well alright.
Too many people side by side
Got no place to hide.

On my supersonic rocket ship
Nobody has to be hip
Nobody needs to be out of sight. Out of sight.
Nobody's gonna travel second class
There'll be equality
And no suppression of minorities. Well alright.
We'll take this planet, shake it round
And turn it upside down.
My supersonic rocket ship.

It ain't no magic, ain't no lie,
You'll laugh so loud you'll cry.
Up and down, round and round
On my supersonic rocket ship.

Let me take you on a little trip
My supersonic ship's at your disposal
If you feel so inclined. Well alright.
Nobody's gonna travel second class
There'll be equality
And no suppression of minorities. Well alright.
Let me take you on a little trip
On my supersonic rocket ship.
