

How Can It Be That You Don't Love Me Anymore

The Kinleys

You made me cry when you said goodbye
You didn't even tell me all the who's, the what's
The where's, the reason why, tell me
How can it be that you don't love me anymore?

You promised me, swore we would be together
Through the worse or better
For the now and the forever and the in between, tell me
How can it be that you don't love me anymore?

I thought you were mine, I thought we were fine
How can it be that you don't love me anymore?

I haven't changed, my love's the same
Now you're gone and movin' on
And in my heart the question still remains, tell me
How can it be that you don't love me?

No, how can it be that you don't love me?
Darlin', how can it be that you don't love me anymore?

Hey, yeah
