## How Can It Be That You Don't Love Me Anymore

## The Kinleys

You made me cry when you said goodbye You didn?t even tell me all the who?s, the what?s The where?s, the reason why, tell me How can it be that you don?t love me anymore?

You promised me, swore we would be together Through the worse or better For the now and the forever and the in between, tell me How can it be that you don?t love me anymore?

I thought you were mine, I thought we were fine How can it be that you don?t love me anymore?

I haven?t changed, my love?s the same Now you?re gone and movin? on And in my heart the question still remains, tell me How can it be that you don?t love me?

No, how can it be that you don?t love me? Darlin?, how can it be that you don?t love me anymore?

Hey, yeah
