

Let's Get Lost

The Knack

She wants a one way ticket
Don't wanna know the way back
It's just a jones, can't kick it, 'til she's back in black
She rides the blood red rocket
She mumbles yes, yes yes
If you don't try it, don't knock it, least that's
What she says

Let's get lost
(Baby's going down, going down, down Baby's going down)
Let's get lost

She got a head full of nothin'
Ooh, and a hatful of rain
She'll get her hands on somethin', run it up again
Gimme this one, that one, just say yes,
It's like a monkeyness strange, and i don't know
Some kind of psychobabble what she says

Let's get lost
(Baby's going down, going down, down Baby's going down)
Let's get lost

Let's get lost let's get lost
Let's get lost let's get lost
Let's get lost yeah
Let's get lost, yeah, yeah, yeah, yeah, yeah, yeah

Let's get lost
(Baby's going down, going down, down Baby's going down)
Let's get lost

Let's get lost let's get lost
Let's get lost let's get lost
Let's get lost let's get lost
Let's get lost let's get lost
Let's get lost let's get lost
Let's get lost let's get lost
