

Rocket O' Love

The Knack

All right.
Baby.
One shot. Ecstasy,
Funk has fever gotta hold on me,
Big Bang! Vacancy.
Shake down grove on in the machine

I'm a rocket of love - Take me.
I'm a rocket of love - Take me. Ride.
I'm a rocket of love - Take me.

Oh yeah! Now listen:
So fine, shake it down,
Bring your thing down on the town
Shotgun, shine your name:
1! 2! 1! 2! 3! HEY!

I'm a rocket of love - Take me.
I'm a rocket of love - Take me. Ride.
I'm a rocket of love - Take me.

But, I'm a driver,
And I'm a raver,
Well I'm a flamer,
Yes I'm saver
Oh-uh and I'm a diver, YEAH!
'Cause I'm a craver,

Oh Baby, baby look at me I'm on fire!

I'm a rocket of love - Take me.
I'm a rocket of love - Take me. Ride.
I'm a rocket of love - Take me.

Ride on the Rocket of Love!
