

Afraid of You

The Knife

I'm afraid of you
Well I do
Was it what I felt?
No, it was what I was dealt

I'm afraid of you
Well I do
Was it what I felt?
No, it was what I was dealt

It was can away
Then we'll turn away

I'm afraid of you
Well I do
Was it what I felt?
No, it was what I was dealt
