

Hangin' Out

The Knife

I keep my dick hangin' out of my pants
so I can point out what I want.
I was chosen by standard procedures
and I'll assure you I don't mind.

I'm the head over small business
employing old male friends of my kind.
They keep their dick hangin' out of their pants
so they can point out what they want.

I keep my dick hangin' out of my,
näe, vi stoppar där.
