

One Hit

The Knife

I've got a new story now and it goes like this
I took my hand out of my pocket, up came a fist
It was headline news, one more abuse
I've got to tell it with a fist
It goes like this

Ho ho ho ho (Ho ho ho ho)
Huh huh huh huh (Huh huh huh huh)
Ho ho ho ho (Ho ho ho ho)
Huh huh huh huh (Huh huh huh huh)

So where's the femininity
The one with skirts and high heels
A shiny sink and home made meals
The one and only way
If you enter you'll stay
Sons and daughters you will breed
As long as you breastfeed
Yeah, being a man is a bliss
One hit, one kiss

Ho ho ho ho (Ho ho ho ho)
Huh huh huh huh (Huh huh huh huh)
Ho ho ho ho (Ho ho ho ho)
Huh huh huh huh (Huh huh huh huh)

Then the lights came on, it was all a scene
Bend back, give head, it's not pornography
If you do it with lights, then it's art you see
If you do it with a twist
Yes, artistically

Ho ho ho ho (Ho ho ho ho)
Huh huh huh huh (Huh huh huh huh)
Ho ho ho ho (Ho ho ho ho)
Huh huh huh huh (Huh huh huh huh)

I could do the laundry, the women's work
For a reasonable salary I would wash the world
It wouldn't affect my libido or my self esteem
Don't need to mark my territory
It's all obvious to me
It's manhood's bliss
One hit, one kiss
Spending time with my family
Like the Corleones

Ho ho ho ho (Ho ho ho ho)
Huh huh huh huh (Huh huh huh huh)
Ho ho ho ho (Ho ho ho ho)
Huh huh huh huh (Huh huh huh huh)

Spending time with my family
Like the Corleones
