

Pass This On

The Knife

I'm in love with your brother
What's his name?
I thought I'd come by to see him again
And when you two danced
Oh, what a dance
And when you two laughed
Oh, what a laugh
Has he mentioned my age love?
Or is he more into young girls with dyed black hair?
I'm in love with your brother
I thought I'd come by

I'm in love with your brother
Yes, I am
But maybe I shouldn't ask for his name
And you danced
Oh, what a dance
And you laughed
Oh, what a laugh
Does he know what I do?
And you'll pass this on, won't you?
And if I ask him once what would he say?
Is he willing?
Can he play?

If I ask him once what would he say?
Is he willing? Can he play?

Does he know what I do?
And you'll pass this on, won't you?
And if I ask him once what would he say?
Is he willing? Can he play?

I wasn't really looking for some more than
Some company on the dance floor
And does he know what I do?
And you'll pass this on, won't you and

I wasn't really looking for some more than
Some company on the dance floor
And does he know what I do?
And you'll pass this on, won't you and

Does he know what I do?
And you'll pass this on, won't you?
And if I ask him once what would he say?
Is he willing? Can he play?

I wasn't really looking for some more than
Some company on the dance floor
And does he know what I do?
And you'll pass this on, won't you and

I wasn't really looking for some more than
Some company on the dance floor
And does he know what I do?
And you'll pass this on, won't you and

I wasn't really looking for some more than
Some company on the dance floor
And does he know what I do?
And you'll pass this on, won't you and

I wasn't really looking for some more than...
