

## Ready to Lose

### The Knife

Thinking about the mouth that waters,  
Thinking about losing.

Sucking the marrow, feeding the pain.  
Facing a consequence

The blood  
the mine  
the yours  
combined  
blood control  
A hazy line  
Rearranging  
of desires

Ready, ready to lose a privilege  
Ready, ready to lose a privilege

Dysfunctional culture  
spin me away  
Preserving the bloodline

Fear of suffering, fear of loss  
Sucked in your birth rights

The blood  
the mine  
the yours  
combined  
blood control  
A hazy line  
Rearranging  
of desires

Ready, ready to lose a privilege  
An ongoing habit  
a transfer of possessions  
Ready, ready to lose a privilege  
A final sequence  
An end to succession
