

## The Feeling

## The Knocks

I'm alive  
When I'm high on your love  
Like the lights  
In the city above  
For the first time  
Shine on everyone

Here it comes (3x)

Cause I don't want fight it  
((here it comes, here it comes)  
I ain't got no reason  
((here it comes, here it comes)

I don't want fight it  
I ain't got no reason  
I don't want to fight it  
If I got the feeling
