

Tied to You

The Knocks

I discover broken dreams
Fix themselves when you're with me
New dimensions open up
Insanity can't get enough

I won't lie, I won't lie, I won't lie, I won't lie to you
I lose my mind
Every time, every time, my tongue gets tied to you
I won't lie, I won't lie, I won't lie, I won't lie to you
I lose my mind
Every time, every time, my tongue gets tied to you
Tied to you
Tied to you
Tied to you
Every time, every time, my tongue gets tied to you
Tied to you
Tied to you
Tied to you
Every time, every time, my tongue gets tied to you
Every time, every time, my tongue gets tied to you
Every time, every time, my tongue gets tied to you

So electric, let it slide
Inner visions by your side
I don't change on my face
But in my bones, Im bendin' space
Lovin' rush tidal wave
Not making sense, but let me say

I won't lie, I won't lie, I won't lie, I won't lie to you
I lose my mind
Every time, every time, my tongue gets tied to you
I won't lie, I won't lie, I won't lie, I won't lie to you
I lose my mind
Every time, every time, my tongue gets tied to you
Tied to you
Tied to you
Tied to you
Every time, every time, my tongue gets tied to you
Tied to you
Tied to you
Tied to you
Every time, every time, my tongue gets tied to you
Every time, every time, my tongue gets tied to you
Every time, every time, my tongue gets tied to you

I lose my mind
I lose my mind
1, 2, 3, 4

I won't lie, I won't lie, I won't lie, I won't lie to you
I lose my mind
Every time, every time, my tongue gets tied to you
I won't lie, I won't lie, I won't lie, I won't lie to you
I lose my mind
Every time, every time, my tongue gets tied to you
Tied to you

Tied to you
Tied to you
Every time, every time, my tongue gets tied to you
Tied to you
Tied to you
Tied to you
Every time, every time, my tongue gets tied to you
Every time, every time, my tongue gets tied to you
Every time, every time, my tongue gets tied to you
