

He Won't Let You Go

The Kry

He won't let you go
the moment that you say
come and live in me
take me all the way
what He said is true
He will never leave you
forever by your side...it's true

He won't let you go
though the seasons change
He's never been so close
He's just a prayer away
when you hear the Father's call
when He's calling to you
run into His arms
don't hesitate to do it

Chorus:

He won't let you go
when He's forever by your side
He wants you to know
Jesus has paid the price
He wants you to go
forever in paradise
getting close to Him
is really all you have to do
and even when you die
He will still be by your side

He won't let you go
His love will never change
let Him hold you close
closer everyday
He would have died for you
had you been the only one
don't you ever doubt...its true

He won't let you go
