

# I Keep On Running

The Kry

Been through the fire  
Through the pouring rain  
A true desire  
A Holy flame  
From the morning light  
To the midnight sun  
Not gonna give up  
Till the race is won

Chorus:

I keep on running  
And I keep on running  
Running to You

Some will stand  
Some will fall  
Down by the way side  
Some leave the call  
I won't turn my back  
Nor turn away  
My eyes on Jesus  
'till my dying day

Repeat Chorus

When life is over  
If I endure  
Don't run for nothing  
My hope is sure  
If I don't loose heart  
I don't loose faith  
Not gonna slow down!  
Till I see His face

Repeat Chorus

On and on and on  
I keep on running  
On and on and on  
I keep on running
