

I'll Find You There

The Kry

When I needed love
When I needed peace
When I needed understanding
I found You there
When I needed hope
When I needed strength
When I needed someone who cares
Lord, I found You there
Lord You made me laugh
even when I felt like crying
Lord You made me sing even
when my heart was achin'
When I needed love
When I needed peace
When I needed understanding
Lord, I found You there
When I needed hope
When I needed grace
When I needed one more chance
Lord I found You there...
Lord You made me laugh
even when I felt like crying
Lord You made me sing
even when my heart was achin'
Lord, you let me hide in You
when the sky was ragin'
I know the sun always shines... after the rain
So now I sing to you...
Chorus:
I'll find You there, (Lord I know it's true)
I'll find You there, (cuz' I believe in You)
I'll find You there, (oh, Lord)
Jeremiah 29: 13 (NKJV)
