

Wild, Wild World

The Kry

Ooh the world is going crazy
Seems like nobody cares
Killing the innocents
Ooh we let the hungry die
In the name of freedom
Sad, but its true

We live in a crazy world
But I won't be afraid

Chorus:

Its a wild, wild world
We live in a world that just don't care
God is setting us apart
From this wild, wild world (2x)

Ooh there's violence everywhere
The streets are filled with the blood
Of those who didn't know better
Ooh in a world filled with pain
The only hope is Jesus
He will make things new

We live in a crazy world
Hear me when I say

Chorus

Ooh its a wild world
Ooh livin' in a wild world
We live in a crazy world
We live in a wild, wild world

Chorus
