

## Drinks Up

### The Lacs

So put your drinks up on the weekend.  
Cause them workdays sure been creepin'  
What's up? Is anyone gonna get tore up?  
Drinks up for party time.  
Monday mornin' ain't gonna come cheap but,  
I'm gettin' loose with some folks like me tonight.  
Yeah, so put your cups up high.  
Drinks up for party time.

I'm on a mission tonight,  
I prolly ain't comin' home.  
I got this urge to get drunk.  
And it won't leave me alone.  
I'm gonna buy a few shots  
For every one of my boys.  
Until the owner throws us out  
For makin' too much noise.  
So have a hell of a night.  
Go and make a memory or two.  
And if this alcohol won't bug you,  
You know we actin' a fool.  
I'm up on top of the bar.  
Hell I'm way up in the sky.  
I lost my keys to my car,  
Somebody give me a ride.  
Hey man I'm losin' my mind.  
With folks that I never seen.  
We all got one thing in common,  
We like to drink as a team.  
I know that I'm gonna crash,  
Wake up in somebody's grass.  
I'm gonna have to tell the boss man  
To kiss my ass.

Said I've been workin' all week,  
And I'm just tryin' to get paid.  
I got enough beer money,  
And today is the day.  
The boss talkin' to me 'bout workin' OT.  
I sure need the money, but y'all know me.  
For five straight days I've been walkin' the line,  
And you can stick your overtime  
Where the sun don't shine.  
If I make it to the truck,  
I got a case on ice.  
Pop a top, cut a block,  
And start this night off right.  
I need to roll to the liquor store,

To get a few things.  
I seen a couple homeboys,  
And they was thinkin' the same.  
They said party at the field,  
I said I'm already there.  
And I'm gonna feel it on Monday man,  
But I don't care.  
I get my, drink on, and my, sing on.  
A little, beer pong, and it won't take long.  
So put your cups up here, scream out loud.  
I gotta say cheers to this party crowd.
