The Lacs

Make homegrown shine  
Ima keep it redneck  
Gotta four wheel drive  
Ima keep it redneck  
When I party all night  
Ima keep it redneck  
Yeah  
I got to keep it redneck  
Back in the woods  
Ima keep it redneck  
Work hard like I should  
Ima keep it redneck  
Yeah it's all good  
Ima keep it redneck  
I got to keep it redneck

Ima thoroughbred redneck  
Down home rapper  
And a lot of y'all folks  
Still call me a cracker  
Ima storm cloud coming  
And I'm bringin' down a heavy rain  
Redneck boy  
And Ima put that on my everything  
Y'all say yous  
And we say y'all  
Y'all call it an accent  
We call it a drawl  
Y'all say gimme that  
And we say please, miss  
Y'all eat oatmeal  
And we eat cheese grits  
We do it for the shiners  
And them dirt road riders  
For them forty hour workers  
And the party all nighters  
For the Jim, Jack, Johnny  
And the Maker's Mark  
For them little country towns  
And them trailer parks  
Redneck  
And Ima rep till I DI  
A lotta y'all folks still really can't see why  
We gotta keep it real  
All the way 100  
We the purest in the world  
And they can't take that from us

Yeah I like to drank  
Yeah I like to smoke  
Crank some Lynard Skynard  
Hit them dirty roads  
Pull up to my buddies  
Buddy what ya know  
Smoke a little drank  
Stack another load  
Ima slick hick,  
River rat  
Me and Mr. Bourbon  
Gonna tip back  
Bumpin' that  
Possum while we lurkin'  
And naw I never been the kind to go by the law  
Like a back woods boss man  
I do what I want  
Gotta stash of cash  
Put back for the hard times  
Got chicken wire  
Wrapped around  
Four big pines  
That supper on the table  
Ain't from KFC  
That raggedy shack  
Slap packed full of feed  
Yeah Ima keep it redneck  
Ima rebel's son  
Big rebel flag  
Big huntin' gun  
You think we something, huh  
You should take a ride  
Through my backwoods, hillbilly, redneck life
