

Bad Habits

The Last Shadow Puppets

Bad habits
Sick puppy
Fly high
Knee deep

Do you wanna hold hands
Shall we get back down

Should've known little girl that you'd do me wrong
Should've known by the way you were showing off

Bad habits, yeah
Bad habits, ooh
Bad habits, yeah
Bad habits

Deep trouble
Red lolli-POP
Bare faces, alright
Delicious

Do you wanna hold hands?
Shall we get back down?
Do you wanna slow dance?

Bad habits, yeah
Bad habits, ooh
Bad habits, yeah
Bad habits, yeah

Should've known little girl that you'd do me wrong
Should've known by the way you were showing off
Should've known little girl that you'd do me wrong
Should've known by the way you were showing off

Bad habits, yeah
Bad habits, ooh
Bad habits
Bad habits
Bad habits
Bad habits
