

Devil In You

The Last Vegas

She said she's been all over the world cause I just occurred there,
She said she's got a millionaire smile and gold in her hair.
She said she's got a long history of crimes and oh, baby, imma do it her time.
I'll let you be what you want to be, that's keeping you off of my spine.

They say that you're an angel, baby, I'm no fool,
I wanna get away, but then ain't nothing I can do,
It's just the devil in you,
It's just the devil, the devil in you,
It's just the devil, the devil in you,
It's just the devil, I'm a devil in you,
It's just the devil in you.

You're too good, you want it from me, and never give anything back.
I see you move all the way that you move is knocking me off of my track.

They say that you're an angel, baby, I'm no fool,
I wanna get away, but then ain't nothing I can do,
It's just the devil in you,
It's just the devil, the devil in you,
It's just the devil, the devil in you,
It's just the devil, I'm a devil in you,
It's just the devil in you.

It's just the devil in you,
It's just the devil, the devil in you,
It's just the devil, ain't nothing you can do,
It's just the devil, I'm a devil in you,
It's just the devil, the devil in you.

It's just the devil, the devil in you,
It's just the devil, ain't nothing you can do,
It's just the devil, I'm a devil in you,
It's just the devil, the devil in you.

It's just the devil, the devil in you,
It's just the devil, ain't nothing you can do,
It's just the devil, I'm a devil in you,
It's just the devil, the devil in you.
