

## Leonida

### The Last Vegas

I come around now, yesterday had me,  
And the day before last.  
Seems like my time with you need a rent,  
A love affair is more than it's meant.

So bittersweet, what it means to me.  
There's never enough I get from above.  
Lovely Leonida, sweet Leonida.

Sweet Leonida, you know that I need you,  
You got me down, praying on my knees here,  
It doesn't matter if you're black or white,  
You ride my tongue and you're feeling alright.

So bittersweet, what it means to me.  
There's never enough I get from above.  
Lovely Leonida, sweet Leonida.

Just wait till I get home,  
Never meant we'll take it slow,  
Getting everything I need,  
You look so beautiful.

I gotta get you whereas still can  
The Lord knows I'm a travelling man.  
I gotta say that I want your taste,  
A?A?cause I got what's left on my face.

So bittersweet, what it means to me.  
There's never enough I get from above.  
Lovely Leonida, sweet Leonida.  
Lovely Leonida, sweet Leonida.
