

Words

The Leaves

This words have lost their glory
Let's start a brand new story now my love
Right now there'll be no other time
And I can show you all my love

Talk in everlasting words
And dedicate them all to me
I will give you all my life
It's here if you should call to me

You think that I don't even mean
A single word I say
It's only words and words are all I have
To take your heart away
